- 2014 - Brazilian World Cup - Shanghai Dragon Television coverage - Rio de Janeiro and São Paulo
- 2009: - Coordinated live uplink operations for several APTN clients covering the crash of AirFrance Flight 447 and later rescue efforts.
- 2009: - Live on-camera report on AirFrance Flight 447 for the English-speaking channel of the Chinese network CCTV.
- 2008: - Coverage of the Carnaval in Rio de Janeiro, and other stories such as shantytowns, violence in Rio, and an interview with the world-renowned plastic surgeon Ivo Pitanguy for the Russian network NTV.
- 2007: - Coordinated uplink operations for live transmissions during the Pan American Games in Rio de Janeiro for NBC and ABC.
- 2007 - Assistant coordinator for uplink operations during Pope Benedict XVI's visit to São Paulo for the Associated Press.
- 2006 - Pre-production and Field production during a 2-week roundtrip around Brazil for Al-Jazeera International covering the following stories:
- BioDiesel research in Rio de Janeiro
 - Illegal rainforest deforestation and soy plantations in the state of Pará.
 - Yellow Fever among natives in the Amazon.
 - Conflicts and suicide inside native reserves surrounded by agribusinesses in Mato Grosso, mainland Brazil.
- 2006 - Body culture in Rio de Janeiro and Brazilian soap operas for Good Morning America.
- 2005 - In-depth view inside the notorious Shantytowns/Favelas of Rio de Janeiro for a CBC special for the United Nations. The crew visited several of these communities controlled by drug lords and interviewed social workers, residents, ONG members, and the former mayor of Rio de Janeiro.
- 2005 - Special on the Brazilian architect Oscar Niemeyer, responsible, among other things, for the construction of Brasília. Produced for the CBC.
- 2005 - Pré-production and later Field Production for an ABC Primetime special on the spiritual healer João de Deus together with the Emmy Award-winning reporter John Quinones and a 6-person crew for 2 weeks of shooting.
- 2004 - Full coverage of the three-party talks between the emerging nations of Brazil, South Africa, and India, together with Aids treatment and policies in Brazil for the South African News Corporation.
- 2003 - Pré-production and Field production for the American learning channel "Channel One" covering the megacity of São Paulo, how it works, its story, and challenges for the future.
